

Christmas Craft Fair - November 19 , 2022

Dear Artists, Crafters, and Vendors

The date of this year's craft fair is Saturday, November 19th from 10am – 4pm at the Italian Hall in Powell River. The doors will be open at 8:30am for vendors to set-up. The number of artists/crafters/vendors is far exceeding the number of available tables so be sure to get your Application Form in ASAP. We will also need to cap the number of complimentary tables for our non-profit sector to two due to available space.

Applications are accepted on a first come first serve basis. The description of your goods on the Application Form (attached) will be used in a selection process held simply to ensure placement in relation to other vendors and variety with an emphasis on homemade goods. Please indicate whether you will require power and/or a wall. You will need to bring your own extension cords, lamps and lights as need. Please note that in the past we have had some issues with over loading breakers. Please keep your lighting and power draining accessories to a minimum for the convenience of all. As wall and power space is at a premium we cannot guarantee all of your requests. These spaces will be given on a first come first served basis also. If your display includes shelving or upright/floor displays please make sure they are sturdy, self-supporting and let us know on your Application for best placement. Please be mindful of your neighbor's space, access, and sight lines!

We will be holding the vendors door prize again this year. An LCS member will come around before 10am to each table to collect a donation and hand out draw tickets for the Craft Fair door prize (to be drawn at 3:45 the same day). The door prize provides incentive to the attendees to buy from as many tables as possible. Each time a customer buys from a new table they are entered into the draw.

Thank you for your continued involvement in the Lund Christmas Craft Fair. We look forward to greeting you with a warm muffin and coffee in the morning!
